

Discover the Wisdom Within

INNER CONVERSATIONS I

A JOURNEY TO YOUR TRUE SELF

During **Inner Conversations** the student will experience several meditation techniques that will help them 'tune in' to their inner voices and learn to discern which voices are from their past programming, fears, gremlins, and Higher Wisdom.

"You have the answers within you."

IN THIS CLASS YOU WILL:

a. Identify how you connect with your inner voices and tune into your Higher Wisdom.

b. Become an active partner in this conversation.

c. Share your inner experience and learn from others.

d. Raise your vibration through meditative exercises.

e. Begin to make decisions from your inner wisdom.

You Will Experience:

- Powerful meditation practices
- Clarity and inner guidance
- Emotional healing and release
- Connection to your True Self
- Peace, purpose, and greater joy
