Unity Spiritual Center was established in Sun City in 1961. The center is affiliated with Unity Worldwide Ministries, located at Unity Village, Missouri.

Unity Spiritual Center is trans-denominational, welcoming all individuals from all faith traditions, and recognizes that each individual has a personal view and appreciation of the divine presence. We believe each individual is on a personalized spiritual journey based on their own understanding.

We are primarily organized around a wide variety of classes taught by Ministers and Licensed Unity Teachers. We focus on the teachings of Jesus. We also honor all others, such as Buddha, Lao Tzu, and Native traditions.

We are an open and affirming Spiritual Center welcoming all. "All" includes all races, nationalities and sexual orientations. We exclude none and welcome all.

Unity Spiritual Center is active in the community, supporting many organizations. The facilities are used as a meeting place for twelve step and other wellness programs. Most recently, the center has developed a Garden of Kindness, supplying fresh fruit and vegetables to Valley View Food Bank.

We are involved in fostering support for the community and appreciate your assistance.
